Holiness -

"We are not happy because we are unforgiving, and we are unforgiving because we feel superior to others. Mercy is the fruit of the highest degree of love, because love creates equals, and greater love makes us inferior. First, let us establish three premises: Those who do not love feel superior to everyone else. Those who love feel equal to everyone else. Those who love much gladly take the lower place. Each of us can identify his position somewhere along this spectrum, which comprises the three degrees of the spiritual life here on earth: Death for those who do not love. Life for those who love. Holiness for those who love much."

Grandparents Raising Grandkids *a support group for relatives caring for relatives*

Looking for support as you raise your grandkids? Join us at LM on the second Saturday of each month at 4:00PM for conversation about the joys and challenges of caring for your grandchild. **(First meeting April 14)** Gain personal strength by sharing and listening to other folks who have dealt with situations like yours. Learn to look ahead with hope and a positive attitude. Find out about what you can expect as you move through the process of parenting the second time around. To learn more, pick up a brochure from the table at the back of the sanctuary or in the church office.
